Non-technical Courses for Bachelors (from catalogue) - 6LP		Non-technical Courses for Bachelors (from	n catalogue) - 6LP									
Technical Complementary Course for Computational Science and Engineering Bachelor - 12LP		Technical Complementary Course for Con	nnutational Science and Engineering Bachelo	r - 121 P								

The choice of courses from the catalogue is flexible (depends on the semestral work load), provided the necessary number of required credits is reached.
