Business & Management (from catalogue) - 6LP								
Non-technical Courses for Master (from catalogu	e) - 6LP							
Technical Complementary Course II for Computa	tional Science and I	Engineering - 12LP						
Technical Complementary Course I for Computat	tional Science and E	ngineering - 12LP						

The choice of courses from the catalogue is flexible (depends on the semestral work load), provided the necessary number of required credits is reached.
