### Course of Study Mechanical Engineering and Management (Study Cohort w19)

#### Sample course plan A  Master Mechanical Engineering and Management (IMPMEM)

**Specialisation Mechatronics, Specialisation Product Development and Production**

**Business & Management (from catalogue) - 6LP**

**Nontechnical Elective Complementary Courses for Master (from catalogue) - 6LP**

The choice of courses from the catalogue is flexible (depends on the semestral work load), provided the necessary number of required credits is reached.
