Course of Study Mechanical Engineering and Management (Study Cohort w22)

mple course plan B Master Mechanical Engineering and M	anagement (IMPMEM)	Core Qualification Elective Compulsory Specialisation Elective Specialisation Elective	
ecialisation Management, Specialisation Materials			
Robotics Robotics: Modelling and Control IV 4	Structure and properties of fibre-polymer-composites Structure and properties of fibre-polymer-composites VL 2	Research Project IMPMEM	Master Thesis
Robotics: Modelling and Control PBL 2	Structure and properties of fibre-polymer-composites HÜ 1		
	Structure and properties of fibre-polymer-composites PBL 2		
Computer Aided Design and Computation	Selected Topics of Mechanical Engineering and Management (Alternative B: 6 CP)		
Computer Aided Design and Computation VL 2	(part 2)		
Computer Aided Design and Computation GÜ 2	Selection from a catalog		
	International Production Management and Enterprise Resource Planning:		
	CERMEDES AG		
	International Production Management and Enterprise Resource Planning: SE 4		
	CERMEDES AG		
Marketing and Communication Business-to-Business Marketing VL 2		Advanced Topics in Management, Organization, and Human Resource Management	
Business-to-Business Marketing VL 2 Intercultural Management and Communication VL 2		Advanced Topics in Management, Organization, and Human Resource VL 2	
Case Studies of Marketing and Communication GÜ 2		Management	
	Mechanical Properties	Advanced Topics in Management, Organization, and Human Resource SE 2 Management	
	Mechanical Behaviour of Brittle Materials VL 2	Management	
	Dislocation Theory of Plasticity VL 2		
Selected Topics of Mechanical Engineering and Management (Alternative B: 6 CP)		Applied Statistics	
(part 1)		Applied Statistics VL 2	
Selection from a catalog		Applied Statistics GÜ 1 Applied Statistics PBL 2	
Advanced Functional Materials	Processing of fibre-polymer-composites	Applied Statistics PBL 2	
Advanced Functional Materials SE 2	From Molecule to Composites Part PBL 2		
	Processing of fibre-polymer-composites VL 2		
Business & Management (from catalogue) - 6LP			
Non-technical Courses for Master (from catalogue) - 6LP			

The choice of courses from the catalogue is flexible (depends on the semestral work load), provided the necessary number of required credits is reached.
