Course of Study International Management and Engineering (Study Cohort w20)

Confidence Con			Core Qualification Compulsory Specialisation Compuls	
Secondary Seco	le course plan B Master International Management and Engineering (IWIMS)		Core Qualification Elective Compulsory Specialisation Elective	Compulsory Focus Elective Compulsory Interdisciplinary complement
Manufaction Manu	ecialisation II. Mechatronics			
Manufaction Manu				
Quantition Member 3-Statisca and Operations Price and Statiscans Countries and Price a			•	Master Thesis
Institutional Environment of International Management Answers Frinchman (September Countries) Institutional Environment of Selected Countries Institutional Environment of Selected Selec			Troject Schmidt III

The choice of courses from the catalogue is flexible (depends on the semestral work load), provided the necessary number of required credits is reached.
