

# Course of Study International Management and Engineering (Study Cohort w22)

Sample course plan C Master International Management and Engineering (IWIMS) Dual study program

Specialisation II. Electrical Engineering												
1	<b>Quantitative Methods - Statistics and Operations Research</b> Quantitative Methods - Statistics and Operations Research VL 3 Quantitative Methods - Statistics and Operations Research GÜ 2		<b>Economics</b> Main Theoretical and Political Concepts VL 2 International Economics VL 2 Economics PBL 1		<b>Project Seminar IWI</b> Project Seminar IWI PS 3		<b>Master thesis (dual study program)</b>					
2												
3												
4												
5												
6												
7	<b>Institutional Environment of International Management</b> Business Environment of Selected Countries PBL 4 Research Methods in International Management VL 2		<b>Practical module 2 (dual study program, Master's degree)</b> Practical term 2 0		<b>Practical module 3 (dual study program, Master's degree)</b> Practical term 3 0							
8												
9												
10												
11												
12												
13	<b>Accounting</b> Financial Accounting and Finance VL 3 Management Accounting and Capital Budgeting VL 3											
14												
15												
16												
17												
18												
19	<b>International Business</b> International Management VL 2 Business-to-Business Marketing VL 2 Intercultural Management and Communication VL 2		<b>Foundations in Organizational Design and Human Resource Management</b> Foundations in Organizational Design and Human Resource Management VL 2 Foundations in Organizational Design and Human Resource Management SE 2		<b>Advanced Topics in Management, Organization, and Human Resource Management</b> Advanced Topics in Management, Organization, and Human Resource Management VL 2 Advanced Topics in Management, Organization, and Human Resource Management SE 2							
20												
21												
22												
23												
24												
25	<b>Production and Logistics Management</b> Strategic Production and Logistics Management PBL 3 Operative Production and Logistics Management VL 2		<b>Management Control</b> Management Control SE 2 Management Control VL 3		<b>Strategic Management</b> Strategic Management VL 4							
26												
27												
28												
29												
30												
31	<b>Practical module 1 (dual study program, Master's degree)</b> Practical term 1 0		<b>Technology Entrepreneurship</b> Entrepreneurship VL 2 Creation of Business Opportunities PBL 3		<b>Microwave Engineering</b> Microwave Engineering VL 2 Microwave Engineering HÜ 2 Microwave Engineering PR 1							
32												
33												
34												
35												
36												
37	<b>Microwave Semiconductor Devices and Circuits I</b> Microwave Semiconductor Devices and Circuits I VL 3 Microwave Semiconductor Devices and Circuits I HÜ 2											
38												
39												
40												
Linking theory and practice (dual study program, Master's degree) (from catalogue) - 6LP												

The choice of courses from the catalogue is flexible (depends on the semestral work load), provided the necessary number of required credits is reached.
